## INSIDE THIS ISSUE

Volunteers coming out for Second Clean Up Day

Old and New Business

Monthly Member Award goes to Ruth Lemon

Save your coffee grinds – makes great fertilizer

## OLD BUSINESS

1. First "Clean Up Day" was a great success with volunteer help from Roger Bacon students, John Paul scouts and St. Francis Alumni members. We concentrated on cleaning up the lake, driveway and Peace Garden.
2. St. Francis Alumni donated \$1,000.00 for spring planting.
3. St. Francis Alumni also donated a shredder; this equipment will be very useful in controlling brush.
4. Coffee Grind program is going well. Keep up the great work. Coffee grinds make excellent fertilizer for gardens. Please contact Richard in apartment #109 for more details.
5. Easter Dinner that was held on April 8, 2009 was a huge success. Thank you to everyone that came.

## NEW BUSINESS

1. This is our second newsletter and its purpose is to communicate with everyone so that you all are informed about our services and upcoming events.
2. Second "Clean Up Day" is Saturday, April 18, 2009. We will attempt to finish the lake, driveway and Peace Garden.
3. In May we will start planting in the Community Vegetable Garden behind the gym. Tomatoes, cucumbers, squash and onions.
4. In May a variety of flowers will be purchased and planted.
5. We currently have 38 members and \$1,500.00 in our Garden Club bank account.
6. Garden Club **Monthly Member Award** goes to **Ruth Lemon (#200)**. For her multitude of talented skills. We appreciate you Ruth. Thank you for all that you do.

## A LITTLE HUMOR

Perks Of Being Over The Age of Fifty Years!

You quit trying to hold your stomach in no matter who walks into the room.

Your eyes won't get much worse.

Your investment in health insurance is finally beginning to pay off.

Your joints are more accurate meteorologists than the national weather service.

Your secrets are safe with your friends because they can't remember them either.

People call at 9:00 PM and ask, "Did I wake you?"

People no longer view you as a hypochondriac.

There is nothing left to learn the hard way.

Things you buy now won't wear out.

You can eat dinner at 4:00 PM.

You can almost live without sex but not your glasses.

You get into heated arguments about pension plans.

You can't remember who told you about this list.
