Inspirational Quote for Your Week

"What you don't see with your eyes,
don't invent with your mouth."

Jewish Proverb

This Program is for the Honor and Glory of God.

Those who profess to favor freedom and yet depreciate agitation, are people who want crops without ploughing the ground; they want rain without thunder and lightning; they want the ocean without the roar of its many waters. The struggle may be a moral one, or it may be a physical one, or it may be both. But it must be a struggle. Power concedes nothing without a demand; it never has and it never will.

— Frederick Douglass

A LITTLE HUMOR

Romance?

Karl and Milly were lying in bed one night. Carl was falling asleep but Milly was in a romantic mood and wanted to talk. She said, "You used to hold my hand when we were courting." Warily Karl reached across, held her hand for a second, and rolled over to try to fall asleep. A few moments later she said, "Then you used to kiss me." Mildly irritated, he leaned across, gave her a peck on the cheek and settled back down to sleep. Thirty seconds later she said, "Then you used to bite my neck." Angrily, he threw back the bed clothes and got out of bed. "Where are you going?" she asked. "To the bathroom to get my teeth," he replied.

Oh, the pity of old age.

When I went to lunch today, I noticed an old man sitting on a park bench sobbing his eyes out. I stopped and asked him what was wrong. He said, "I have a 22 year old wife at home. She rubs my back every morning and then gets up and makes me pancakes, sausage, fresh fruit and freshly ground coffee."

I said, "Well, then why are you crying?"

He said, "She makes me homemade soup for lunch and my favorite brownies, cleans the house and then watches sports TV with me for the rest of the afternoon."

I said, "Well, why are you crying?"

He said, "For dinner she makes me a gourmet meal with wine and my favorite dessert and then makes love with me until the wee hours"

I said, "Well, why in the world would you be crying?"

He said, "I can't remember where I live!"
